

Think Differently. Powerfully. Achieve New Levels of Success!

"Lore takes the power of positive thinking to a completely new level. I learned that I actually have a choice and can control my thoughts versus being controlled by them—I find that to be incredibly powerful!"

Gordon Krater, CPA

Managing Partner, Plante & Moran, PLLC

One of Fortune's "100 Best Companies to Work For" for 10 Years Running

Managing Thought® is a relevant, interactive workshop and provides a step-by-step process to turn habitual, counterproductive thinking into creative thinking and inspired action. Learn how to:

- Become aware of your thoughts
- Know whether a thought is working for you or against you
- Eliminate thoughts that waste time, energy, and money
- Make subtle changes in how you think to reignite your creativity, restore your sense of purpose, reclaim your peace of mind, and achieve significant results
