...Mary Lore (1979) took some time out of her busy schedule to meet with me. Mary is the founder and CEO of Managing Thought, LLC, and has served as a chair and expert resource for TEC, also known as Vistage, the world's pre-eminent organization for the personal and professional development of CEOs. Mary and I spent several hours discussing her new insightful book for business leaders - [Managing Thought: How Do Your Thoughts Rule Your World?...](#)
